

## Kindergarten Phonics (英語拼音詞彙班)

Our phonics lessons help children to develop an understanding on the concept of letters and words. Children will also learn to identify all the letters of the alphabet and the sounds associated with the different consonants and vowels. Consequently, children will be able to identify words and the sounds of letters. They will also begin to build an intuitive understanding that letters and combinations of letters are the symbols used to represent the sounds of speech. Certificate will be given after completion of the course.

## Sports and Physical activity (體能訓練興趣班)

Physical fitness and health are an essential part of a child's development and provides a foundation for a healthy and active future. Aside from stimulating the growth of muscles and bones, it also helps children instill positive values and attitude, builds self-confidence, and encourages a social environment. Partaking in a group setting also encourages children to learn to get along with others and manage their own behaviours in a safe, supportive and fun environment. Certificate will be given after completion of the course.
